

Capabilities Statement

• Environmental Planning • Entitlement • Permitting •

About Us

For 40 years, BRG Consulting, Inc. has helped public agencies and private clients comply with local, state, and federal environmental laws and requirements. BRG is large enough to get the job done, yet small enough to provide efficient, responsive, personalized service.

CEQA/NEPA Compliance:

- Environmental Impact Reports & Statements
- Initial Studies & Mitigated Negative Declarations
- Environmental Opportunities & Constraints Analyses
- Environmental Assessments & FONSI

Planning & Permitting Services:

- Environmental Planning & Impact Assessment
- Land Use Planning & Entitlements
- Regulatory Permitting (404, 401, 1602, etc.)
- Mitigation Monitoring
- GIS/Visual Simulations

Certifications

- California DGS SB (Micro) #1674880
